“Whether readers enthusiastically embrace or reject its claims and arguments, Away With All Gods! is a book that cannot be ignored.”

Peter McLaren, Professor, Graduate School of Education and Information Studies, University of California

“...lots of people haven’t actually studied what that Bible says. Bob Avakian has. He exposes the hypocritical bullshit...This book is serious reading.”

Eric G., former Black Panther member

“One needn’t be a Marxist to learn a lot from this work. I especially like the forthright critique of the obfuscating epistemology of religion, and of religion’s appalling consequences for women.”

Laura Purdy, Professor of Humanities and Professor of Philosophy, Wells College
