*“Whether readers enthusiastically embrace or reject its claims and arguments, **Away With All Gods!** is a book that cannot be ignored.”*

— Peter McLaren, Professor, Graduate School of Education and Information Studies,
University of California

SOME OF THE QUESTIONS EXPLORED IN THIS PROVOCATIVE WORK BY BOB AVAKIAN ARE:

- Is believing in gods actually harmful?
- How has Christianity for centuries served as an ideology of conquest and subjugation?
- Why is the “Bible Belt” in the U.S. also the “lynching belt”?
- Why is there a rise of religious fundamentalism throughout the world?
- In the intensifying conflict between U.S. imperialism and Islamic fundamentalism, is the only choice to take one side or the other?
- Why is patriarchy and the oppression of women foundational to so many religions?
- Can people be good without god?

Bringing a unique revolutionary communist voice to the current discourse about god, atheism and morality, Avakian demystifies religious belief and examines how, even in its most progressive interpretations, religion stands in the way of the emancipation of humanity. A thread deeply woven throughout *Away With All Gods!* is the need to fully rupture with all forms of superstition, and to take up instead a truly scientific approach to understanding and transforming reality.

Whether you believe in god, or are an agnostic or an atheist, Bob Avakian will challenge you with his powerful critique of long-established traditions and his liberating vision of a radically different world.

PRAISE FOR THE BOOK

“Forceful, scathing, and timely. While I did not personally agree with everything Bob Avakian has to say in this book, I found his arguments cogently articulated and provocatively put forth. Angry, humorous, provocative, and hopeful in equal measure, this was an enjoyable and engaging read.”

— PHIL ZUCKERMAN, Associate Professor of Sociology, Pitzer College

“One needn’t be a Marxist to learn a lot from this work. I especially like the forthright critique of the obfuscating epistemology of religion, and of religion’s appalling consequences for women.”

— LAURA PURDY, Professor of Humanities and Professor of Philosophy, Wells College

“...may just spearhead a return to the Age of Reason.”

— HARRY LENNIX, actor, instructor

AWAY WITH ALL GODS!

“Necessary, critical and timely...Everyone should read *Away With All Gods* because it is necessary, critical and timely, but also because it is a book written with joy and humor.”

— JOHN HUTNYK, Professor, Academic Director, Centre for Cultural Studies, Goldsmiths, University of London

“While Bob Avakian comes from a decidedly different perspective on religion than myself, there are many shared views on the need for human emancipation. His new book opens up a much needed conversation about the role of religion and spiritual belief in the overall fight for justice, along with questions of morality and what it will take to bring about an end to white supremacy and patriarchy.”

— REV. LENNOX YEARWOOD, JR.,
President, Hip-Hop Caucus

“...lots of people haven’t actually studied what that Bible says. Bob Avakian has. He exposes the hypocritical bullshit...This book is serious reading.”

— ERIC G., former Black Panther member
