

***For Anyone Who
Cares About The
State Of The
World And
The Condition
Of Humanity
And Agonizes
Over Whether
Fundamental Change
Is Really Possible,***

this landmark work provides a sweeping and comprehensive orientation, foundation, and guide to making the most radical of revolutions: a communist revolution aimed at emancipating humanity—getting beyond all forms of oppression and exploitation on a world scale.

**THE AUTHOR, BOB AVAKIAN,
IS THE ARCHITECT OF A NEW
SYNTHESIS OF COMMUNISM.**

This new synthesis is a continuation of, but also represents a qualitative leap beyond, and in some important ways a break with, communist theory as it had been previously developed. Avakian has written this book in such a way as to make even complex theory accessible to a broad audience. In this book, he draws on his decades of work advancing the science of communism and his experience as a revolutionary communist leader, including leading the Revolutionary Communist Party, USA, as its Chairman since its founding in 1975.

THIS IS A PATHBREAKING WORK, one that scientifically analyzes the system of capitalism-imperialism and its unresolvable contradictions; confronts the challenges facing the movement for revolution; and forges a way forward to making an actual revolution in this country, as part of contributing to communist revolution internationally.

Bob Avakian

THE NEW COMMUNISM

**The science, the strategy, the leadership
for an actual revolution,
and a radically new society
on the road to real emancipation**

Emancipate Humanity!

Also available as E-book - Spring 2017

**This thought-
provoking book
is sure to
challenge stereotypes
and conventional
thinking.**
